Proactive and passionate software developer with experience in creating, improving, and completing web applications. Background in e-commerce web design, custom brand graphics, and marketing. Focused on streamlining, optimizing, and managing processes. Interested in opportunities to grow, connect with people, and develop my skills. Open to relocate

Work Experience

Customer Relations Specialist, IQBox

Aug 2021 -Mar 2022

- Generated ~44%+ more sales than the average employee every month, through optimising work and a more effective approach.
- Trained a team of 5 people with ~38% more sales than the average.
- Specialist in the representative company's team meetings regarding the big change of the company's Telecom partner to Vodafone in 2021.
- Personally implemented more effective low-end target strategies in the department.
- Proficient in data entry, CRM systems and document management.

Web Designer, Kismo

Sep 2020 - Feb 2021

- Designed and developed E-commerce websites and landing pages with Wordpress and Elementor.
- Integrated Facebook Pixel Analytics for sales and leads tracking.
- Maintained and administered websites, including updating contents and improving user experience.
- Experience in troubleshooting and debugging issues related to website design, user data, gdpr, chat, payment and translation.
